

Hello!

On Sunday, October 21, 2018, The River Food Pantry will host the 9th annual Harvest Dinner for Hunger fundraising event at Madison College. The evening will include a delicious five course meal, silent auctions, live music, and stories shared by those touched by The River.

When you support The River, your dollars are used to help people right here in Dane county. We need your partnership to help our neighbors who struggle putting food on the table.

The River is more than just a food pantry; it is a positive and needed resource for the Dane County community. Beyond nutritional assistance, The River provides a warm, welcoming family atmosphere where everyone is treated with dignity and respect.

With The River's combined services, we serve over 1,000 Dane County households every week. Free groceries, clothing, and various household items are given out five times a week, along with hot community meals at the pantry. The River also has a MUNCH (mobile lunch) program for kids and teens on weekends and all non-school days.

### **Can you join us in 2018?**

We are looking for donations to include in the silent auction and restaurant gift certificate raffle.

Thank you for your time and consideration. The River looks forward to partnering with you to make this year's Harvest Dinner a huge success.

Thank you.
