

HARVEST DINNER FOR HUNGER

Why Partner With Harvest Dinner For Hunger and The River Food Pantry?

When: October 21, 2018 | 4:30 – 8:00pm
Where: Madison College | Truax Location

The need in our community is real. With over 1,000 households utilizing The River's combined services every week, we need **your** help to nourish Dane County families. The River is a completely privately-funded organization and your support empowers all of the good work done by The River to strengthen our community.

In October, The River will host the 9th annual Harvest Dinner for Hunger. The event will be held in a beautiful new location at Madison College and will include culinary delights, a silent auction, raffles, live music and personal stories told by those whose lives have been improved because of The River.

We invite you to join us as an event partner!

Please review the sponsorship levels on the following page and choose the level of partnership that works for your business.

We are also in need of items for a raffle and silent auction. Is your business able to donate services, discounts, gift cards, etc.? We would appreciate your commitment by August 1st.

When you support the Harvest Dinner for Hunger, ***your dollars are used to help people right here in Dane County.*** Your partnership provides food, clothing, dignity and hope for our neighbors, and a stronger community for all.

Thank you for your generous consideration. The River looks forward to partnering with you to make this year's Harvest Dinner a harvest of hope for our community.

Sincerely,

Rhonda Adams
