

FULL SUMMER

FOR ALL

Help fill our Dane County neighbors' bellies so they can worry less about food and spend more time enjoying this summer!

Summer is a time of joy and freedom for many, but not all. For thousands of our Dane County neighbors, it's a time of hunger and worry.

You can help ensure our neighbors have enough food to eat all season long by sponsoring The River Food Pantry's **Full Summer for All Campaign**.

Your sponsorship will help The River provide a variety of healthy food choices to distribute through our growing list of free services: groceries and freshly prepared meals for pickup or delivery, online grocery orders, mobile meals, and emergency food lockers.

By investing in the increased quality and quantity of food choices that our community needs, you will help our neighbors make the most of this summer.

In response to your generous support, one of our clients says, *"It's not just about the food. It's about the kindness, love, care, and compassion that is provided."*

Become a sponsor today and help provide a summer full of fresh, healthy food choices for all to enjoy!

IN OUR CLIENTS' WORDS

"I have been introduced to so many foods and it has changed my diet."

"The River has been a wonderful supplement for me. It saves me not only money, but time and energy, which are precious."

"The River has provided a balanced meal with all of the food groups to myself and my children. It has allowed me the opportunity to not have to prepare one meal per week, which has been very beneficial for our family time together."

"The delivery service alleviates transportation and time barriers that make picking up at a location difficult to access for a single mother lacking transportation. Making selections online saves time and makes it easy to do anywhere."

"I appreciate Munch very much because now my mom does not have to go to the shop to get snacks for us. Thank you for coming. You guys make me happy."
