 Community  
 Caring  
 Generosity

# Thank You!

---

Dear Friends:

The River Food Pantry's 2023 Annual Report details how your support enabled us to nourish thousands of our neighbors in need throughout Dane County.

In 2023, food insecurity reached records highs in our community. Thankfully, The River was there to provide food and essentials to over 17,000 unique individuals. Not only was this more people than any other area pantry, but it was by far the most we ever served in a year! We could not have achieved this historic milestone without you all.

Because of you and our supportive community, in 2023 The River was also able to:

- **Launch a capital campaign** to construct a new, larger, purpose-built facility that will allow us to expand our services to serve more people in need!
- **Win Best Charitable Organization for the third year in a row AND Best Chef (Chris Tuttle)** in the Madison.com People's Choice Awards.
- **Establish an emergency food locker program**, called Food NOW (*Nights or Weekends*), that is available to anyone in need whenever The River is closed.
- **Host our inaugural fundraiser, Sips & Slices: A Pizza Party Taste-off for The River Food Pantry**, when over 300 attendees voted on 10 unique pizzas designed by teams of local chefs and celebrities and prepared by Ian's Pizza.
- **Extend our outdoor awning** to help protect our volunteers, clients, staff, and food from the elements during our curbside grocery distribution.
- **Raise funds to purchase a consistent supply of fresh produce** with an emphasis on buying from local farmers all throughout Wisconsin's growing season.
- **Commit to diversity, equity, and inclusion (DEI)** by providing several training sessions to staff and Board members.
- **Strengthen our sustainability initiatives** by implementing onsite composting.
- **Partner with SSM Health to provide meals for their Meals on Wheels program and groceries for their Baskets of Hope program**, which provides new moms with shelf-stable emergency groceries when they leave the hospital after giving birth.
- **Organize special community events**, including Curbside Breakfast with the Bunny, The Gifts of Christmas at Santa's Workshop, blood drives, and a volunteer appreciation event.
- **Distribute 75,000 pairs of high-quality socks donated by Bombas** to our clients and to several local agencies to reach more people in need.
- **Increase our minimum wage to \$20 per hour** to help staff with the rising cost of living and to reflect the hard work and expertise that each employee provides.
- **Seek regular feedback** from clients, volunteers, donors, staff, and partners to make improvements on offerings, operations, and more.

Your ongoing support helped us grow and adapt to meet the ever-growing demand. By working together, we will continue to pursue our shared vision of a fully nourished community.

With gratitude,

Rhonda Adams  
Executive Director

Jennifer Norr  
Chair, Board of Directors  
(2021–2023)

# In Their Words

---

From emails and phone calls to surveys and letters, many of our clients express gratitude for the services The River is able to offer, thanks to generous community support. Here are just a few client testimonials from 2023:

***"I appreciate Munch very much because now my mom does not have to go to the shop to get snacks for us. Thank you for coming. You guys make me happy."***

***"I have been introduced to so many foods and it has changed my diet."***

***"Hi, I am Deaf. I want to say thank you so much. We are very happy to having food and meal. My sons say very delicious food. Plus enjoy Thanksgiving foods too. We are grateful to you and your organization. It helps us lots until back to stable. Definitely will come back soon!"***

***"I want to express my gratitude for the ePantry and River Delivers programs. I received my grocery delivery, all of the food I ordered in perfect shape. For real, initiatives like this one make living/studying in a new country more bearable. This also encourages me to help others as well, as I am being helped. Thank you so much, from the bottom of my heart!"***

***"Thanks again for being there for me during this horrible time in my life and helping with my dietary needs as they keep changing beyond my financial capabilities."***

***"The River Food Pantry provides stability for people with low and little income as well as those lacking nutrients. The positive impact on society is tremendous. Hours are flexible. When I was recuperating from surgery, they even delivered ample food to my door. A beacon of light in an uncertain time. With the big change in FoodShare benefits, in my case going from \$235/month to \$20, I will be relying on The River much more."***

***"As students, we don't have enough income, so we were skipping some meals. The River helps us prevent this and get healthy, delicious food."***

***"Many food pantries let you come once a month but give you food only for a week. The River will give you enough groceries to feed your family for at least 2 weeks and then you can also come back every week. I appreciate The River because they make sure the kids and the community are fed."***

***"I just wanted to say thank you today, with a happy tear or two. I worked a great job for 19 years and then became disabled. Living on 1/4 of what I was accustomed to is humbling and hard. But I love that everyone treats me with dignity and respect, and I love the drive-thru as I can no longer stand in a line or walk far. This is my 3rd visit and the meals attracted me as they look so delicious and fresh and healthy, something I desperately need. So thank you so much to your organization, volunteers, and donors. This does more than just nourish the body, it nourishes the soul."***

# Program Updates

---

Throughout 2023, The River continued to grow and improve our programs to include:

## Food NOW

In 2023, The River partnered with UW students to establish an after-hours food locker program, called Food NOW (*Nights or Weekends*), which is available to the public when we are closed. The 10 outdoor lockers contain a short-term supply of shelf-stable foods at no cost.

## Curbside Groceries

Dane County residents can pick up free curbside groceries from The River once a week. Items include non-perishables, perishables (e.g., fruit, vegetables, dairy, meat, frozen items) and other essential supplies (e.g., cleaning supplies, hygiene items, paper products, diapers, formula). To improve client choice and minimize waste, people select items they want from a menu form.

## FAM

Our curbside meal program, FAM (*Family At-Home Meals*), provides to-go meals for everyone in a household to share in the safety of their homes. Clients can pick up meals up to four times each week. These healthy, balanced meals are freshly made by The River's professionally trained chefs and volunteers. The menu changes weekly to include meat and vegetarian options, along with a side salad and fresh fruit.

## Munch

Our mobile meal program, Munch, delivers free healthy meals to children and adults in low-income neighborhoods. Munch also distributes free fresh produce items for people to choose from. In 2023, Munch expanded to serve 23 low-income neighborhoods throughout Madison and Fitchburg.

## Pantry Express

On select Saturdays, we hold a streamlined pantry service, called Pantry Express, which does not require registration. This helps to reduce barriers and increase food access among vulnerable populations.

## River Delivers

Our contactless food delivery program, River Delivers, works with volunteers to deliver groceries and meals up to twice a month to homebound residents of Dane County. Delivery recipients are unable to visit a store or pantry due to barriers such as limited transportation or health concerns.

## ePantry

Our online grocery ordering system, ePantry, provides client choice and increases access to healthy food. Once a month, households have the option to order groceries via ePantry. Based on household size, families select from a variety of nutritious food and personal care items, including fresh produce, meat, dairy, culturally relevant offerings, and special dietary options, such as vegetarian and gluten-free items.

## Redistribution Partners

The River is the first and only redistribution organization (RDO) of Second Harvest Foodbank of Southern Wisconsin. As an RDO, The River can redirect food sourced from the food bank to neighborhood organizations, many of which specialize in supporting members of historically marginalized populations. Our redistribution community partners receive regular donations of excess food and essentials to better reach those who don't access our pantry's services. This initiative helps to increase access and to minimize waste.

## Food Recovery

Each week, our extensive food recovery program rescues unused food and supplies from over 50 local retailers, including grocery and convenience stores, farmers markets, and more. This program helps to increase the variety and amount of food we provide while reducing waste.

# 2023 Community Impact

**3.5 million**  
lbs of food distributed

**1.7 million**  
lbs of food recovered

**111,234**  
to-go meals

**31,072**  
mobile meals

Since opening in 2006, The River Food Pantry has become South Central Wisconsin's busiest food pantry.

Originally serving only a handful of households, today The River serves over 2,500 people each week.

Our services include free groceries and freshly prepared meals for pickup or delivery, online grocery orders, and mobile meals for low-income neighborhoods.

The River also redistributes rescued food and other essentials to local partners to increase access while minimizing waste.

With supporters like you, we get closer to achieving our vision of a fully nourished community.

Thank you for your continued generosity!
